

Bishops 5K for Children

We had wonderful weather for our participation in the Bishop's 5K, and a creditable showing from our parish. We also had one of our young people, Cameron Flower, who finished first in his age group, which was terrific. There should be a photograph below this of Cameron and a couple of the other young people. Thank you for all the monies given in those mite boxes - you did well (!) for those who sponsored racers (including Audrey) and everyone from St. John's finished (the race) and that is good. Also, not to forget that our entire parish sponsored the race with a gift of \$500.00 as a part of our outreach. Thank you all. This is a wonderful cause going to help many needy children in our Diocese of Connecticut.
